The clerk had received apologies from District Councillor Trevor Bartlett, due to a clash with Dover District Council Cabinet meetings, and from new Cllr Hawksworth.

2. Public Contribution Time

Tim Clement enquired whether a village fete would be held this year. Cllr Plumptre said that the fete is not organised by the parish council and so he was not sure whether there would be one or not.

The minutes of the meeting were signed as a true version of events by the Chairman.

6. Parish Council Vacancy

Suzanne Dawkins and Sarah Hawksworth (latter in absentia) were formally co-opted onto the parish council.

7. Community Policing

The Police website was not showing any new crimes since the last meeting. Cllr Plumptre reported that the Dower House in Goodnestone had been the subject of an attempted burglary on the morning of 22nd March (the day of the meeting). The clerk agreed to circulate an email to parishioners with some phone numbers provided by the local police to use in case of concerns over any suspicious activity.

8. Goodnestone CE Primary School

There was nothing to report from the school.

9. Footpaths

The clerk reported that the Local Area Officer had requested more information in relation to issues with the steps on the footpath by Rowling House. Cllr Ellison was not sure what the specific issue was. He also reported that he had reported an issue with the Muddy Bush footpath.

10. Village Pond

It was reported that strimming is needed by the pond. Tim Clement kindly offered to help and agreed to liaise with Cllr Ellison directly.

11. Highway Matters

It was reported that the waste bin in Goodnestone was again overflowing, having not been emptied for around 6 weeks despite this being reported. The clerk agreed to escalate this, and Cllr Phillips offered to phone a waste manager for DDC whose contact details he had obtained.

Michael O'Sullivan reported that the streetlight outside Goodnestone Church, which has been broken for 18 months, had still not been fixed as neither DDC nor KCC seemed to want to take responsibility. He also reported that he had spoken to local PC Richard Callaghan in relation to issues with school parking, and that PC Callaghan had agreed to pass a message onto DDC about this.

Cllr Dawkins reported that Chislet Primary School uses a billboard to deter inconsiderate parking and agreed to research this further. The clerk agreed to contact Nonington Parish Council in relation to their use of a flashing speed sign. Cllr Phillips reported that he had spoken to Kent Highways and they were not interested in funding such signs. It was suggested that a "20mph advised" sign underneath the 30mph signs in The Street, Goodnestone and Chillenden might be appropriate. The parish council is prepared to fund this, and/or flashing signs if necessary.

Cllr Phillips also reported that he had taken photos of the quadbike and trail bike that had been travelling at excessive speeds through Chillenden and had shown these to PC Callaghan. Neither vehicle has been seen since.

12. Goodnestone Millennium Shed

Cllrs Phillips and Ellison agreed to liaise in relation to emptying the shed.
